

**4th Division
Department of Texas**

23 October 2018

Legionnaires,

As we often assist our local communities in time of need due to natural disasters, I would like to inform you about one of our American Legion Post recently affected by the Llano river flood.

Frank Griggs Post 370 in Llano received approximately \$60k in damages. I was informed by the Post leadership that there are numerous volunteers ready to help with the cleanup and rebuild. They are in need of monetary assistance to repair the Post building and replace appliances and equipment that was destroyed.

If a Post or yourself would like to assist with a monetary donation, Please send a check or money order made out to American Legion Post 370 and send to:

American Legion Post 370
P.O. Box 234
Llano, TX
78643

I greatly appreciate your time and consideration to help Post 370.

Thank You

Sincerely

For God and Country

KENNETH M. SIMONTON
4th Division Commander
