

TEXAS BOYS STATE 2020 (VIRTUAL)

SAMPLING OF 2020 STATESMEN COMMENTARY | PROVIDED BY VARIOUS TEXAS LEGION POSTS
AS OF 22 SEPTEMBER 2020

Howdy!

This is Ethan Boyd from Texas Boys State! I was a resident of Moore City and supported the Nationalists on the House of Representatives. I wanted to write and thank you gentlemen for this extraordinary opportunity! Thank you so much for deciding to persevere and go forward with doing this amazing camp online. I learned so much from this experience and the way our strong government works, not only that, but I learned how to be comfortable speaking to that many people (even though it may have been just a computer screen) and learned how to be confident in myself and speak my mind. I was able to see how to civilly debate and discuss my thoughts with my peers and listen and respect their thoughts. It opened up a pathway to countless opportunities and I was honored to get nominated for Boys Nation!

Thank you, gentlemen, for this program and setting it up for us. I will never forget this experience and carry what I learned with me toward the future.

Kindly,
Ethan Boyd
